DEPARTMENT LEVEL MENTORING FRAMEWORK

Policy Document

Dated: _____

Guwahati College is committed to provide a conducive academic environment and focus on moving beyond conventional classroom teaching. The College engages its faculty members to mentor the students on following parameters:

- To listen to their professional issues
- To share experiences and help them with experiential learning
- To provide counselling for future courses and higher studies
- To provide exposure to Institutes of Higher Education or Training
- To inspire students to focus on personality development
- To encourage and foster skill building
- Develop industry or market linkages. (*wherever applicable*)

As per UGC suggestion for Student Induction, the College agrees that mentoring process is crucial in capacity building and holistic development of students as responsible citizens. So, the mentoring will be done through 'group discussions and real life activities rather than lecturing' to make it more effective.
