Message from the Principal

Dear Students,

It gives me immense pleasure to welcome you to Guwahati College. Our institution has always been committed to providing quality education, nurturing talent, and shaping responsible citizens for the future.

At Guwahati College, we believe that education is not limited to academic excellence alone. We strive to create an environment that encourages critical thinking, creativity, discipline, leadership, and social responsibility. Along with classroom learning, students are encouraged to participate actively in co-curricular and extracurricular activities, extension programmes, sports, cultural events, and community service.

Our dedicated faculty members and staff work tirelessly to ensure that every student receives proper guidance and opportunities for holistic development. The college also emphasizes values such as integrity, inclusiveness, respect, and lifelong learning, which are essential in today's rapidly changing world.

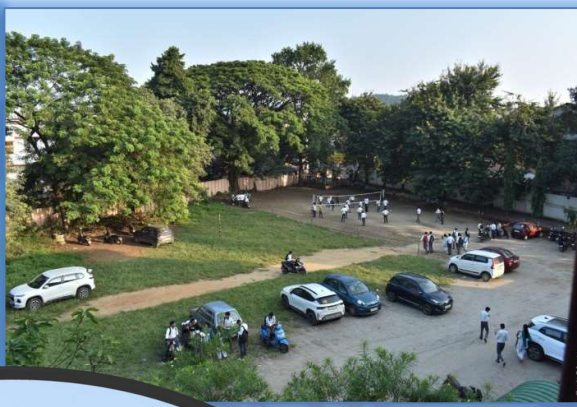

As you begin your academic journey with us, I urge you to make the best use of the facilities and opportunities available in the college, maintain discipline, pursue knowledge and contribute positively to the institution and society.

I am confident that your days at Guwahati College will be enriching, inspiring, and memorable. I wish you success in all your future endeavors.

With best wishes,

Principal
(Dr. Pranab Sandilya)

GUWAHATI COLLEGE: A BRIEF INTRODUCTION

“GREAT WORKS ARE PERFORMED NOT BY STRENGTH BUT BY PERSEVERANCE.”

Guwahati College, situated in the eastern part of Guwahati is one of the premier institutions of Assam for higher learning in the region. It has a strength of nearly three thousand students, who are ably guided towards the achievement of their goals by a highly qualified and experienced teaching community.

The College was established on 3rd August 1964 at Chandmari, Guwahati. Later, it was shifted to its permanent building in Bamunimaidam at Jyotinagar. The College has successfully completed 60 years of its glorious existence since 1964. It is now one of the most reputed Colleges of Assam where students from all over the Northeast and other states of India get admitted. Each year a good number of undergraduate students get enrolled in master’s programs offered by several state and national educational institutions.

Guwahati College has completed 60 glorious years of existence and was re-accredited (Cycle 3) by NAAC with Grade B++ with a CGPA of 2.91 in 2023. The College now stands as a full-fledged Institution of higher learning equipped with the latest educational technology. The infrastructure reflects the development of the College with its well-stocked library, departmental libraries, seminar halls, well-equipped laboratories, and a beautiful playground. The College has its own unique Anthem. At present, Guwahati College has three streams in the degree course-Arts, Science and Commerce.

The Mission of the College:

The mission of the College is to TEACH. The term here stands for:

- Transformation of the society through the spread of knowledge.
- Education of the youth and development of personality.
- Acquisition of skills by learners.
- Creation of dedicated human resources.
- Helping nation-building.

The Vision of the College:

Guwahati College has the vision to attain the status of an autonomous educational institution with all its stakeholders making substantial differences in our modes of thinking and patterns of living. The College wants to ensure that the real fruits of modern education spill over the

confines of the classroom, resulting in the well-being of the planet and all things living. Guwahati College attempts to understand the social needs of the country and prepare the students accordingly to fill up those needs. Many of the programme undertaken by the college focus on innovation and entrepreneurship with an aim to contribute to national progress and development on all fronts.

The college strives for the inculcation of values like justice, non-violence, equality, secularism and a passion for knowledge in the young minds so that they can develop a scientific and ethical approach to the problems of our society while not sacrificing the richness and diversity of our culture and heritage.

Guwahati College is making rapid strides towards its goal of producing not only students with nearly flawless academic report cards but also a sensible and responsible intelligentsia who are well aware of the social and ethical responsibility that a truly modern education vest in them. Objectives of the college are

- ❖ To encourage the students to find out their potential.
- ❖ To produce high quality students
- ❖ To produce ideal citizens for fulfillment of social obligations.
- ❖ To develop research culture among the students as well as faculties.
- ❖ To promote co-curricular activities amongst the students.
- ❖ Creation of social awareness.
- ❖ Inculcating moral values

College Emblem:

The College emblem with its motto is highly suggestive of the institution's mission and vision. In appearance, the emblem resembles a lotus in partial bloom. This highlights the Nationalistic spirit that prevails in the College. It also suggests opportunity for the students to prosper. This image further emphasizes the optimistic spirit that forms the basis of the mission of the College, which is "the will to develop and improve further".

The figure of the open book implies the propagation of education while the alternate dark and white lines suggest the College's endeavor to reach out to humanity in its entirety without any prejudice against caste, creed or color. The earthen lamp, illuminating the surroundings to remove any darkness of ignorance, forms the motto of spreading the light of knowledge. The small dots represent the multitude that is expected to be benefitted by the propagation of knowledge.

Attendance Requirements

- To be eligible to appear at a University Examination every student has to attend a minimum of 75% of the lectures, practical and tutorials held during the academic session.
- The principal shall have the power to strike off the name of a student who is grossly irregular in attendance.
- Students remaining absent on medical grounds should submit a medical certificate from the appropriate authority while rejoining college. However, absence on medical grounds does not mean that they will be exempted from any kind of examination.

Discipline

The college expects its student to conduct themselves in a disciplined and dignified manner in the college and outside. Students must follow the following rules:

1. Students are responsible for their conduct and are prohibited from doing anything, either inside or outside the college that will amount to a breach of discipline or interference in the discipline and normal working of the college.
2. Interference of any outside pressure group in the internal affairs of the college is strictly prohibited.
3. Students are expected to have regard and consideration for each other and be respectful to the teachers, members of the college staff and fellow students.
4. Unbecoming language or ungentlemanly conduct shall be severely dealt with.
5. Students shall maintain perfect silence in classrooms and desist from disorderly behaviour. They are expected not to walk about or make noise in the corridors or in front of classrooms and must keep as quiet as possible at all times. During their free periods students should work quietly in the Library or Reading Room, or spend the time in the Students Common Room, but without causing any disturbance.
6. Students shall take proper care of the college property, furniture and premises. They must not cause damage to or tamper with college property, furniture and fittings.
7. Students shall leave their bicycles, scooters or motorcycles locked in the parking shed provided for this purpose. No bicycle, scooter or motorcycle shall be parked in any other part of the college campus.

10. Students shall not spoil or misuse the lawns or any other space of the college.
11. Communal harmony must be maintained.
12. Students suffering from any contagious or infectious diseases will not be permitted to attend the college. They will be allowed to rejoin classes only after producing a fitness certificate from the appropriate authority.
13. It is mandatory for students to come to college in proper College uniform during class days as well as on other working days.
14. Smoking, chewing tobacco and spitting betel-nut inside the college campus is considered as a punishable event.
15. Students shall not loiter around in college uniform outside the college campus.
16. Parents / Guardians must monitor their wards during their study in the College.

Ragging:

Ragging in any form is strictly prohibited within the college premises or outside the campus. Guwahati College is committed to provide a ragging free academic environment to the students. The college in principle adheres to the UGC Regulations on curbing the menace of ragging in higher educational institutions, 2009 and accordingly constituted an anti-ragging committee to ensure a ragging-free campus. Any act of the following will be considered as an act of ragging:

- Involvement in physical assault or threat or use of physical force.
- Violation of the status, dignity, and honor of students.
- Expose students to ridicule and contempt and affect their self-esteem.
- Entail verbal abuse and aggression, indecent gestures, and obscene behavior

Monitoring of academic progress:

The Principal, teachers, IQAC and the academic monitoring cell of the college make regular effort during the academic session to make first-hand assessments of the academic progress of the students or any problems related to teaching and learning.

Guardians meet:

Guardians meet is conducted regularly for interaction between the Principal, teachers and parents/ guardians of students. Guardians are encouraged to attend such meetings to express their opinions on academic and other developmental matters of their wards.
